

2023-2024 Title I School- Parent-Student Compact

Farrell Elementary School

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- x Help student reach their academic goals.
- x Focus on student learning.
- x Explain how teachers and parents can communicate about student progress.
- x Describe opportunities to be a part of the school.

Compacts are Jointly Developed

Working together is important. Parents and teachers worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Student Succeeds Act to help students meet the State's high standards and parents to be a part of the school community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts Build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit school, however, we are committed to building a partnership with all parents and families. Here are a few of the ways that we can partner together to help students learn and show them we care about their education.

Spring Creek Spirit Night: September 25th

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- x Parent Self-Serve [Self Serve Portals » Arlington ISD \(aisd.net\)](#)
- x Progress Reports and Report Cards [web site](#)

- x Parent Teacher Conferences We will discuss your student's progress and this is a great time to contact

Together, we'll make sure your child has the best education.

Goals

We know you have goals for your students to do. We provide excellent curriculum and teaching to help your student meet the State standards. Your student's teacher will be glad to show you what materials and programs we use.

Because every student deserves the best education, we agree on the following

Teachers will...

- x Model instruction and provide parents with reading material and strategies during parent workshops and newsletters.
- x Share with parents tips and resources on how to choose the right reading level book.
- x Provide strategies and ideas for parents to practice math concepts at home.

Parents can...

- x Practice with their child's grade level reading strategies to improve
